

INTERNATIONAL STUDENT HEALTH INSURANCE

ABOUT THIS PRODUCT

International Student Health Insurance is a competitive insurance program covering medical expenses for foreign students studying in Canada, as well as their spouse and children.

TARGET STUDENTS

- Foreign students pursuing studies at recognized Canadian institutions of learning who are not eligible for provincial government health insurance
- Ideal for long-term degree programs
- Coverage also available for spouse and children

ADVANTAGES FOR OUR PARTNERS

- On-site training assistance at the school during busy enrollment periods to help students understand insurance benefits and the claims process
- Ease of program management, with all insurance fulfillment material and claim forms provided by RSA Travel Insurance at the start of each policy term
- Support provided to the school for the management of the student insurance program and rapid responses to day-to-day questions

ADVANTAGES FOR YOUR STUDENTS

- Provides coverage for medical expenses while studying in Canada
- Can be purchased for durations of 1 to 12 months
- Available up to age 65
- Emergency out-of-country coverage is available for temporary visits outside Canada or school-related activities or events such as training programs outside the student's province of residence
- Multilingual capabilities: 24/7 assistance is provided by a multilingual team
- Claims assistance and medical referrals for direct billing facilities: students are guided in selecting a preferred medical provider that will bill the insurance company directly, avoiding out-of-pocket expenses and higher costs
